Dear Ms. Smith:

This is to acknowledge Mr. M. Gene Yow's August 14, 2009 letter transmitting three copies of the 13th Chelan River Project Monthly Report for the Lake Chelan Hydroelectric Project, FERC No. 637. As there were no items of interest to report and work is progressing as planned, we have no comments at this time.

Thank you for your continued support in dam safety. This e-mail is being sent lieu of an acknowledgement letter. If you have any questions, please call me at 503-552-2717.
