

Planning our energy future

Public hearing on Aug. 11

Chelan County PUD is writing an Integrated Resource Plan as required by state law. The plan outlines the sources of power needed to supply PUD customers for the next 10 years.

PUD commissioners have discussed the plan at a series of public meetings since January. Information about the plan is posted on the PUD Web site at www.chelanpud.org.

Commissioners will continue discussion at:

- A study session at 1 p.m. on Aug. 4
- A final hearing at 1 p.m. on Aug. 11

The public is invited to comment at both sessions in the PUD boardroom at 327 N. Wenatchee Ave. See the legal notice in the July 27 classified section of this newspaper for more information.
