CHELAN COUNTY

Wildfire Mitigation Plan Compliance

Why we are here today

- In October 7th study session:
 - Reviewed House Bill 1032 statutory requirements applying to Washington State utilities' wildfire mitigation plans
 - Information provided on State recommended “best practice” elements
 - Compared District Wildfire Mitigation Plan to State elements
- Board requested October 21st return to allow for two additional weeks for potential public comments
- No public comments have been received

Wildfire Mitigation Plan Compliance

HB 1032 requires submittal of wildfire plan by 10/31/24
