

# CYCLE OF PERSONAL OWNERSHIP

JULY 2021 WINNER

CHELAN COUNTY

# EVAN SMITH AND ANTHONY IBARRA

Evan and Anthony were approached by a park patron who informed them that there was a person near the boat launch parking area that was having a drug overdose.

Evan drove his utility vehicle to the area and heard a woman screaming for help, he approached the vehicle she was in and saw her trying to awaken a man in the vehicle. Evan called 911, he then removed the man from the vehicle and placed him on his back on the lawn, he couldn't find a pulse, so he started chest compressions. He did this until law enforcement arrived and relieved him.

When paramedics arrived, they started breathing for the patient and gave him a shot of adrenalin which brought his pulse up enough to transport him to the hospital.

Anthony Ibarra was also on site, conveyed messages to 911, and helped secure the scene.

It is very likely that without these two park employees the overdose victim would not have made it through.
